Officer Reports

Joe Amey President- Not a whole lot to report. Road the race and loved the format. There was some complains early, but by the afternoon, no complaints. Some other clubs may try other formats. Great Groundshakers race.

Kody Livreri Vice President - 2023 Rule Book has slowly been working on. Trying to get the Rule Book out soon. Steve Paxton is going to be on the cover. GS was a unique experience and was good.

Markings were good and lots of checkpoints. It was a well-run race.

Jarrold Wheeler Head Referee - Boys enjoyed the race. More participate for the afternoon race than the morning race. They receive approval from Coach.

Patricia Swolensky Website - not present

Dustin Vasquez Public Relations - been busy, but was able to give out IMS to Dustin Starks

Steve Paxton Legislative Officer - Incredible event and echos previous comments. BLM is busy this year.

BLM was bringing up some gas mat issues and other small issues at GS race. BLM is asking for public opinion. Today was the deadline, asking for maps, but excluded Reno and Las Vegas. MRAN had already provided all mappings, so nothing needed to be re-submitted as there were no changes. SNOR reached out regarding Muddy Mountains/Bitter Springs to map everything. When anyone rides in the area, please send the GPS to Steve to compile. GPX format is preferred and label your track with date. Example: Kody's favorite track from 4/13/2023.

Darrell Swolensky Secretary - not present

Coach Collins Treasure - not present

Scoring – not present

Need a scoring officer, Coach is only doing this as a favor and we could loose him at any time

It is a paid position: pay to hauler the trailer, room, gas – per diem amounts

May go out to social media

Special Reports

Groundshakers Race Report:

Thanks for everyone who came out to support the race. Does not have exact numbers, think it was 150+. New format worked pretty good. The reverse track was good. Good weather. Pits were clean and not one piece of trash. Finishers pins were ordered over two months ago, and there is no update on when they will arrive.

2 injuries

☒ Small concussion – the child is home schooled

☒ Broke 2 bones on arm/hand and hurt shoulder – open amateur

All mini riders received gifts.

Lisa from BLM retired. BLM 2 guys were temps (working on getting Murphy's Gap re-opened.) The other temp BLM, she said that all our gas maps are illegal. Mats need berms and need to contain 50 gallons of gas. BLM is going to relook at the volume requirement.

Thank you for coming out.
