Special Reports

Gamblers Pre-Race Report- Permit basically done. 41 mile big bike course. Race 2 and 3 50cc races will circle the pits at $\frac{3}{4}$ mile. Race 1 85cc Will be less than 10 miles and possible use the 6 mile loop depending. Pits are inside of the wash. Will start in the wash and head up like usual, using race course that hasn't been use in 10 years. Change the obstacles and added some cool sections. Alternate pits will be at 35 miles for the big bike course. North of Lake Mead north shore. Get there before 6 AM, Park Employees will charge you 30\$ at 7 AM. We don't suggest any trailers over 35' for a particular entrance, there are alternate entrances that are a longer drive.

Mint 400 Report- Joe Amey- Mint was not sure about running bikes again but they put in permit for bikes again. No map yet but they are hoping to team up with us again. Its 9 weeks from today so be prepared. If we do help again we will be doing the same work helping mark, sweep and cleanup. It'd be nice to show out in force and benefit again. March 12th
Joe Amey- 5 Motool tools to give away.

Unfinished Business

MRAN Banquet- Joe Amey-Any questions? The date is February 5th.

Google Meets and Docs- Joe Amey- Please everyone gets a Gmail. Not necessary but effective for what we do.

Open Discussion

Patricia- Are the dates for races good on website?

Joe Amey- Coyote should say "night race". October 8th in Mercury. September 24th Bushwhackers race.

Justin Moore- #1 Champions should be able to transfer free entry to whomever they please? Just an idea.

Joe Amey- 85cc rider can't use a free entry if he moved up to Lites for example.

Justin Moore- Can the flyer be posted early? Also is the night race series a championship?

Joe Amey- Yes it can, if it's approved by the committee. Night race is a series as long as there is 4 races.

Coach Collins- Old MRAN says you had to run the #1 plate in your class to qualify for the free entry.

Patricia Swolensky- Flyer can be sent to me when ready. Calendar need's location for Gambler Night Race.

Greg Ashley- Two weeks before the race is technically when you need to get the flyer out.

Joe Amey- Patricia has a good set up to make flyer. She has proper sizes and logos etc.
