Desert Referee

Jarrold Sign up 46 paid online 19 bike 9 mini and 3 day passers. Social media post apparently called a kid a sandbagger. Jarrod says it didn't happen. The kid will be moved to an expert. The kid got 3 in the class he raced. The mother of the kid directed her displeasure toward coach and Jarrod. Jarrod won't be at the next race. Susie will be. Lites ama finished 12 overall. They will be bumped to expert.

Assistant Referee

Nothing to report.
Should be there to help sign up.

Public Relations

He is trying to get gift cards from the new sponsors. First award IMS tank to Tobel. He tried to help Piper Wells with a pair of Flexbars. She wasn't interested for them.

He went to King of Hammers and got two possible leads for sponsors. Silent Night. Portable light towers that run off batteries. Vision X Lighting has dirt bike and ATV lighting. Denali lighting is their new company targeting dirt bikes.

Legislative Officer

Says its quiet. OHV committee cancelled another meeting.

He was riding out in Jean and BLM has put up another fence and cable. He will challenge them on this. Someone was out there and destroyed the fence and cable.

Joe asked about Cresent Peak for his next years race. Steve says he has no information about what is status on what the plans are for the area.

Scoring

Susie says hand scoring was necessary for 85, 65 and 50. SHe had to enter for the big bikes but it went much better.

She states mototally is now fixed and ready for the next race.
