Special Reports and New Business

SSTB Post Race - Had low attendance unfortunately. 1 rider from NHHA was injured but taken care of by Motor Sports Safety Solutions. Mini's course was awesome, longer course for the kids. Lots of support from members to cover 83 miles of checkpoints thanks to Kody. Mini's had a strong turnout, Big Bike numbers were down. 240 riders combined with NHHA. USRA would like to hold a MRAN race in the future. Thank you to everyone who came and supported Alex Krebs: May want to see if Mini's can have better direction on signup's since they're a bit different between classes in NHHA and MRAN

SNDR Pre Race- Big bikes course is approx 15 miles. Expert and amateur will do 4 laps, Novice and senior classes will do 2 laps. 85's course is 4.5 miles for 1 hour. Peewee course is .75 miles, 30 minute race for both. Race 1 - Peewee Novice at 7:15 am. Race 2- Peewee am/ex 65 Nov at 8 am. 85 women's/65 expert at 9 am. Race 4- Big bikes start at 11 am. Race location is mile marker 8 on SR 163. GPS will be posted on flyer.
